Chancellor's message

The Mansarovar Global University is yet another milestone in our unending journey in pursuit of excellence – the culmination of a long-standing dream to establish a seat of global learning that reflects the best practices of the leading universities of the world.

Welcome to Mansarovar University – one of India's truly dynamic universities. At MGU, we have set for ourselves a high benchmark, not just in terms of academic standards, but also in transparency, accountability and governance.

If you decide to enroll at MGU, you would find a wealth of learning opportunities in a vibrant campus that would serve as an essential stepping stone to a fulfilling life and career.

Welcome to a holistic learning experience!!

Shri K.K. Tiwari

Vice-Chancellor's message

Mansarovar Global University...on the move

On behalf of the Mansarovar Global University, I take this opportunity to welcome you to this institution. MGU is a fast-growing young University which is committed to its vision of becoming a dynamic epicenter of excellence in the field of higher education. The University aims to provide high-quality education, equipping students with the knowledge and essential skills necessary and required to play a leading role in today's fast-paced environment. Our mission is to develop confident professional leaders, independent thinkers, and creative entrepreneurs.

We look forward to welcoming you to the Mansarovar Global University.

Professor Arun K. Pandey

Mansarovar Global University, located in the village Gadia, Bilkisganj, district Sehore, is a fully approved University established by the Government of Madhya Pradesh under Madhya Pradesh Niji Vishwavidyalaya Adhiniyam 2017. It is a Private University spread over 54 acres of lush green campus ideal for teaching, learning and research.

Mansarovar Global University, came into existence in the year 2018. MGU adds to the glory of our other existing Mansarovar Group of educational Institutions such as Mansarovar Dental College, Mansarovar Ayurvedic Medical College, College of Nursing, College of Education and Mansarovar Public School.

About the University

Our Vision

- To become one of the best institutes of the country committed towards value-based education, research innovation, knowledge-sharing, openness and entrepreneurial skills.
 - To achieve excellent standards of quality education by keeping pace with rapidly changing technologies.
 - To develop global managers with capabilities of accepting new challenges.
 - To become India's most energetic and responsive university to produce highly skilled graduates and post-graduates.
-

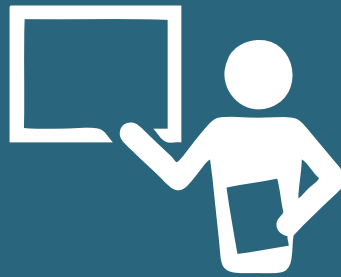

The **University** is dedicated to:

- Achieve excellence in higher education, to emerge as a premier university of the country in terms of programmes offering, curriculum framework, facilitating accessible and affordable quality education.
- Discover, integrate, contribute and apply knowledge towards societal and community development. Accomplish status of quality research-intensive University addressing Regional and National needs by having integration with other premier teaching and research institutions.
- Provide managerial excellence for global competitiveness through teaching, research, training and consultancy.
- Foster decision making, leadership and entrepreneurial skills through innovative programs and applied learning.
- Develop a sustainable infrastructure of world-class standards to support the development of academic pursuits and fulfil industry requirements.

The Department of Computer Science offers programs of study related to computing, information technology and software design and application. Our programs involve interdepartmental, multi-institutional and inter-institutional collaboration. The Department provides a high level of technical education and imparts training in all branches of Computer Science.

The Department currently offers B.Sc. (Hons.), M.Sc. and Ph.D. degrees in Computer Science. The department has highly qualified and competent faculty members, and adequate facilities to support teaching and learning activity.

The Department aims to provide knowledge to the students about communication, information, and media processes. The curriculum is based on a premise that journalists, broadcasters, public relations professionals and advertising executives need to be broadly educated. The intensive course in Mass Communication offers a systematic progression of hands-on production work and theoretical papers that allow students to experience the full range of technical expertise, conceptual skills and artistic expression required to become accomplished media practitioners.

Our graduates will become communications professionals equipped with critical thinking and leadership skills rooted on a global, interdisciplinary perspective.

LLM

Our curriculum is meticulously designed and offers complete academic excellence to law students.

We offer a thriving environment to our students, where they are free to interact with their peers and faculties, ensuring professional associations.

We provide real-life scenarios to our students that prepare them to have a feel of courts and other legal and judicial systems respectively.

Competitions like Moot-Court, Debates, Extempore, Legal Role Play Research Paper Presentations, and Quizzes make sure that students are learning each day.

The university also organizes guest lectures by eminent personalities from time to time, ensuring the students get the right exposure to the changes in the law.

Sri Sai Institute of Nursing Sciences is well acclaimed institution known for its healthy academic environment and various co-curricular and industry specific activities. Being located close to Bhopal which is well connected by road, rail and air, nationally as well as internationally. The institution campus enjoys an eco - friendly and harmonious environment, which gives the right ambience for excellent job placement by different Hospitals such as, Jawaharlal Nehru Cancer Hospital, Bhopal, Rainbow Hospital, Hyderabad, IFAN Global Talent Sourcing, Medanta Hospital, Gurgaon, Apollo Hospital, Bilaspur. Majority of our ex-student are working in different government Hospital all over India as well as in countries like U.S.A. Australia, Germany, Qatar and Middle East.
